VAPA PLCs: THE ARTS EDUCATION PROJECT

PLC RELEASE TIME USING TITLE 1 OR OTHER FUNDS

The VAPA's Arts Education Project (AEP) provides elementary schools with specialized visual and performing arts substitutes during regular grade-level PLC teacher collaboration time. AEP is scheduled at your site for one or two visits per grade-level every four weeks throughout the school year, for a total of either nine or eighteen visits.

Other positive impacts of AEP:

- Increased student engagement and attendance
- Positive behavior and school climate
- School culture of collaboration and creativity
- Student retention at neighborhood schools

Standards Based

Students participate in quality standards-based sequential learning in Dance, Music, Theatre and Visual Art from trained VAPA Visiting Teachers

Regular Collaboration

Classroom teachers receive guaranteed PLC release time without having to prepare lesson plans

Ongoing Support

Principals develop, support and participate in ongoing collaboration with their grade-level teams
