

Procedural Update

The English Learner Instructional Programs

The English Learner **Instructional Program** options have been updated in SEAS to match what SDUSD provides.

IEP-Present Levels page 3:

ENGLISH LEARNER / LANGUAGE DEVELOPMENT
If the student's home language is other than English, describe below.

For students K and above, is the student classified as an English Learner? Yes No

Language Proficiency Assessment Results: ELPAC Level:

Spanish IDEA Proficiency Test (IPT) level: **SDOAI informal assessments:**

Instructional Program:

IEP includes linguistically appropriate goals that reflect English development needs.

English language development (ELD) provided by: General Educator Special Educator
(Check any that apply)

Instructional Program:

The program options listed below are available for EL students. **Ensure the option selected for the student matches the EL Program listing found in PowerSchool.**

PowerSchool-student ID#-English Learner-Proficiency and Programs-Program & Services-Program

Structured English Immersion (SEI): provides instruction, textbooks, and materials mostly or only in English and includes the following: Designated and Integrated ELD instruction.

Dual Language: provides a language immersion program for English only speakers and a bilingual maintenance model for English learners.

Alternative Bilingual Program: provides some of the instruction, textbooks, and teaching materials in the student's home language.
