ESLA 436, 437	ESL 5, 6 (1579, 1580)

SDCCD Continuing Education office systems classes may meet practical arts, computer literacy, and elective credit requirements. Other vocational classes may meet practical arts or elective credit requirements. High school students attending SDCCD Continuing Education should be enrolled using a waiver form (available online at www.sandi.net →For District Staff→Forms→Student Attendance) and should bring a textbook from their high school for courses designated with an asterisk (*). Courses completed should be entered under location 699 with the Out of District set to "N." The following is a list of Continuing Education Centers and phone numbers:

Published each Thursday. Items for inclusion are to be sent to the Communications Office, Room 2145, by noon each Monday for consideration. **Effective August 1, 2000, all Circulars and Bulletins will ONLY be posted on our web site. No hard copies will be sent by mail.**

"The mission of San Diego City Schools is to improve student achievement by supporting teaching and learning in the classroom."
