Superintendent's Letter To Parents/Guardians

The Communications Department disseminates the superintendent's letter to all schools on a monthly basis in English and Spanish. This letter appears in the PTA Unified Council's monthly newsletter, which is sent to select district staff and does not include parents. Schools should, however, feel free to publish the letter in parent newsletters.

The letter is currently translated in Cambodian, Lao, Somali, Spanish, and Vietnamese. If your school has not already done so, you may request to be put on a special mailing list to ensure that you receive the letter in the language requested on a monthly basis. Upon receipt of the translated copies, you may distribute them to those parents who would benefit from receiving Dr. Cohn's letter in the different languages.

If you have a special need for any of the other languages, please notify Althea Bagsby in the Communications Office at (619) 725-5575.

For additional information, contact the Communications Department at (619) 725-5578.

Published each Thursday. Items for inclusion are to be sent to the Communications Office, Room 2145, by noon each Monday for consideration. **Effective August 1, 2000, all Circulars and Bulletins will ONLY be posted on our web site. No hard copies will be sent by mail.**
