

**SAN DIEGO CITY SCHOOLS**

**Date:** August 29, 2005

**To:** Principals, Vice Principals, Counselors and Enrollment Staff

**Subject:** INTERDISTRICT ATTENDANCE PERMITS

**Department and/or  
Persons Concerned:** Principals, Vice Principals, Counselors and Enrollment Staff

**Reference:** Administrative Procedure 6126

**Action Requested:** Verification of enrollment for students residing outside the district

**Brief Explanation:**

Students who reside outside of the boundaries of the San Diego Unified School District and are enrolled in a district school must have an approved Interdistrict Attendance Permit. Families begin the process in their district of residence. The only exception is a student attending school on an InterSELPA agreement through Special Education. Interdistrict Attendance Permits may not be signed by principals, counselors, or enrollment personnel at the school site. Interdistrict Attendance Permits must be processed through the Enrollment Options Office.

Students who reside out of district must be offered enrollment in the order of the choice or magnet wait list. As new students are accepted from the wait list schools should contact Enrollment Options for verification of permit. Students accepted into a school may continue until articulation to the next level school (elementary to middle, middle to high school). However, the permit must be obtained annually.

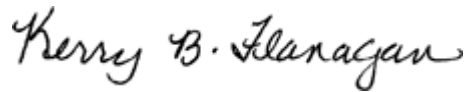

An Interdistrict Attendance Permit may be revoked. Falsification of information stated on an interdistrict application is cause for immediate revocation and no further application will be considered. Unsatisfactory attendance, citizenship, or academic grades are all causes for revocation. The revocation process includes a verbal warning (date and reason should be documented), a written warning (Attachment A), and then a final letter of revocation (Attachment B).

There are specific reasons listed on the permit (Attachment C). Students with approved employment-related permits have resident status and have the right to articulate to the next level school the same as district students. The employment-related permits cannot be revoked. All permits must be completed annually for verification and approval.

Questions regarding Interdistrict Attendance Permits should be directed to Enrollment Options at (619) 725-7153.

## School Districts of San Diego County

### POLICIES GOVERNING INTERDISTRICT ATTENDANCE PERMITS

1. In accordance with Sections 46600 to 46608 inclusive and 48204, of the Education Code of the State of California, the school districts of San Diego County establish interdistrict agreements which provide for an exchange of pupils.
2. The enrollment of pupils from districts other than that of residence is not mandatory. If there is sufficient room in the district and school of desired attendance, requests will be considered, provided the reasons are justifiable and in accordance with district governing board policy. Interdistrict Attendance Permits may be granted for the following reasons:
  - a. **Senior Student** – The district may permit those pupils who are in the highest grade of elementary, junior, or senior high school permission to graduate from the school which they have attended just prior to their move to another district.
  - b. **Continuing Student** – If the student had an interdistrict transfer and was attending the school the prior year.
  - c. **Social Adjustment/Academic Adjustment** – These are to be on a trial basis for social or academic adjustment only. These cases must have verification by the school authorities of the district of residence and the school authorities of the district of desired attendance.
  - d. **Specialized Courses of Training** – Availability of specialized courses or training in district of desired attendance that are not available in district of residence.
  - e. **Planned Change of Residence** – Specific and written evidence must be given that a residence in the district of desired attendance is being obtained. Such permit should not be issued for longer than three months except to permit pupil to finish out the school year.
  - f. **Employment-Related** – Districts may approve or deny requests for enrollment of elementary school pupils based upon the location of the parent's/guardian's place of employment, namely, within the school boundaries of the district of desired attendance.
  - g. **Child Care** – These are to be granted only when it is impossible to arrange adequate child care or supervision in the district of residence. Requests for child care enrollment can only be considered if there is sufficient room in school district of desired attendance.
  - h. **Victim of a Violent Crime** – A victim of a violent crime that occurred while on school grounds. The student is only eligible if there are no other schools within the district of residence where the student may be transferred.
  - i. **Siblings** – If a sibling is currently enrolled in district.
3. Requests based upon convenience or personal preference WILL NOT BE CONSIDERED.
4. **Procedure for making application for interdistrict attendance:**
  - a. Complete all sections of part A of Parent's Request for Interdistrict Attendance Permit (Form 341) and fill in reasons for request in space provided. Be sure to sign the application.
  - b. Obtain approval of the authorized school administrator of the district of residence.
  - c. Take request form to administrator of school district of desired attendance.
  - d. Parent/Guardian will be notified by mail of the final decision regarding the request.

**If you have any questions pertaining to the procedure outlined above, the office from which you obtained this form in the school district of residence will assist you.**

5. An Interdistrict Attendance Permit for interdistrict attendance is valid only during the school year for which it is issued. It is furthermore valid only while the conditions stated in the request are maintained and will be continued in force only as long as the pupil's attendance, citizenship, and scholarship are satisfactory to the school of special attendance.
6. Falsification of any information stated on this request is cause for immediate revocation of a Special Attendance Permit and no further application will be considered.
7. California Interscholastic Federation grades 9-12 athletic eligibility (Article 2, Rule 223) may be negatively affected by this transfer. Eligibility is determined by the rules of the San Diego Section of the CIF and its member conferences and leagues. The CIF-SDS phone number is (858) 292-8165.
8. WHILE DECISION IS PENDING, THE PUPIL MUST ATTEND SCHOL IN THE SCHOOL DISTRICT OF RESIDENCE.

#### APPEAL PROCESS

9. **THE FIRST LEVEL OF APPEAL MUST BE MADE AT THE DISTRICT THAT DENIED THE PERMIT.** After exhausting this process you may appeal to the San Diego County Office of Education within 30 calendar days from the date of the district's final decision. Failure to appeal within the required time is good cause for denial of an appeal. Appeals are to be directed to the department of Pupil Services at the San Diego County of Education, (858) 292-3819. Decisions by the San Diego Board of Education will be final.
