

SAN DIEGO CITY SCHOOLS

Date: September 8, 2005

To: Senior High School Principals

Subject: SCHOOL BUS EMERGENCY PROCEDURES
AND PASSENGER SAFETY INSTRUCTIONS

**Department and/or
Persons Concerned:** Site Administrators, Classroom Teachers, School Secretaries

Due Date: September 9, 2005

Reference: California Education Code, Section 39831.5

Action Requested: Distribute emergency procedures and passenger safety instructions to all senior high school students transported in a school bus or school pupil activity bus by above due date.

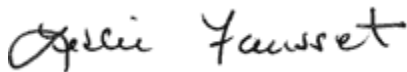

Brief Explanation:

The California Education Code requires school districts to provide emergency bus evacuation and safe riding practice information to senior high school students receiving school bus transportation services. School Bus Emergency and Passenger Safety Instructions are available as a stock item in English (Stock No. 2987), Spanish (Stock No. 2988), and Vietnamese (Stock No. 2989). This information must be distributed by September 9, 2005, to all senior high school students transported in a school bus or school pupil activity bus.
