September 21, 2005

Distribution: Lists B, D, E, and F

Information for site principals that requires action. Principals are not required to report the action taken. For additional information, contact the person listed at the end of each entry.

TO ALL PRINCIPALS, SECRETARIES AND ENROLLMENT PERSONNEL

2006-2007 Enrollment Options Application

On October 1, 2005, the Enrollment Options Office will begin to accept applications for the 2006-07 school year. This single application will be used for Magnet, VEEP, Choice, and Program Improvement School Choice (PISC). Please have parents use the new 2006-07 application. If the 2005-06 application is used, the student will be added to the 2005-06 second semester list. Patterns for newly identified Program Improvement Schools will be provided to the schools. A supply of applications will be sent to each site the last week of September. The priority application time period is October 1 through March 15. **Please remind parents that in order to receive sibling, PISC, continuity (Magnet), or GATE cluster (Choice) priority they must apply during this timeframe.** It is important to include notification in bulletins, letters and other communications provided to parents. Applications received during the priority period will be randomized and placed on the first wait list that will be released to schools in early April.

When a parent submits an application at your site, please date-time-stamp the application, make a copy or create a log of applications, and then forward it to the Office of Enrollment Options, Eugene Brucker Education Center, Annex 7B. The application is also available online at www.sandi.net in the "Enrollment Options" section. The application must be printed, completed by the parent, and then sent to the Office of Enrollment Options, 4100 Normal Street, Annex 7B, San Diego, CA 92103.

If you have any questions, please call the Enrollment Options Office at (619) 725-5672.

Published each Monday. Items for inclusion are to be sent to the Communications Office, Room 2145, by noon each Thursday for consideration. **Effective August 1, 2000, all Circulars and Bulletins will ONLY be posted on our web site. No hard copies will be sent by mail.**

"The mission of San Diego City Schools is to improve student achievement by supporting teaching and learning in the classroom."
