

# SITE OPERATIONS BULLETIN

## San Diego City Schools

No. 4

October 3, 2005

Distribution: Lists A, C, D, E, & F

Information for site principals that requires action. Principals are not required to report the action taken. For additional information, contact the person listed at the end of each entry.

### ALL SCHOOL PRINCIPALS

#### ORGANIZATIONS APPROVED TO DISTRIBUTE MATERIALS

The following organizations have permission, during the 2005-2006 school year and 2006 summer session, to distribute and/or make available informational materials to students:

American Cancer Society	Parkinson's Disease Assoc. of San Diego
American Diabetes Association	Project Concern International
American Heart Association	San Diego Council on Literacy
American Red Cross	San Diego Food Bank
Cystic Fibrosis Foundation	St. Jude Children's Research
Girl Scouts, San Diego-Imperial Council	St. Vincent De Paul
International Assoc. for the Hearing Challenged	The Salvation Army
Goodwill Industries of San Diego	UNICEF
Leukemia & Lymphoma Society	United Negro College Fund
March of Dimes	United Way of San Diego County
National Foundation for Autism Research	Volunteer San Diego
National Multiple Sclerosis Society	YMCA of San Diego County

It is requested that school personnel assist in the distribution of materials for these approved organizations. Sponsoring organizations will initiate contact with school personnel in order to explain their programs. **Participation is voluntary.** This has been communicated to the organizations. They also have been advised that schools must protect instructional time.

**For additional information, contact Kathy Gartland, Community Relations Department, (619) 725-5591 or by email: [kgartland@sandi.net](mailto:kgartland@sandi.net)**

---

Published each Monday. Items for inclusion are to be sent to the Communications Office, Room 2145, by noon each Thursday for consideration. **Circulars and Bulletins will ONLY be posted on our web site. No hard copies will be sent by mail.**

---

*"The mission of San Diego City Schools is to improve student achievement by supporting teaching and learning in the classroom."*
