Mandated Campus Security Assistant Training

Section 38001.5 of the California Education Code requires that Campus Security Assistants who work more than 20 hours per week attend twenty-four (24) hours of job-specific training approved by the Bureau of Security and Investigative Services. **The district has decided to take a more conservative approach to compliance with this mandate and will require that all Campus Security Assistants, regardless of hours assigned, complete the mandated training as a condition of employment.**

The following requirements shall pertain to the employment of Campus Security Assistants:

- 1) No newly hired probationary Campus Security Assistant may be assigned to work more than 20 hours per week (including extra time and/or overtime) without having completed the full 24 hours of required training, even if the position vacancy is greater than 20 hours per week. Personnel Action Request for newly hired probationary Campus Security Assistants will not be approved by Human Resources for more than a .50 FTE until certification of completed training is received. Training sessions will be scheduled throughout the school year so that new Campus Security Assistants can meet this requirement. Once the new hire receives a certificate of completion for the training, his/her hours may be increased by the site generating a PAR (Personnel Action Request).
- 2) In addition, District policy and the collective bargaining agreement require that all newly hired Campus Security Assistants, regardless of hours assigned, complete the required training as a condition of passing their initial one-year probationary period in the job class. In no event will continuing employment or permanent status as a Campus Security Assistant be granted to any individual who fails to receive certification for the full training course.
- 3) Campus Security Assistants who have completed the 40-hour Peace Assistant Orientation-Arrest Course are considered certified and are not required to attend this training. Proof of completion of this course can be submitted to the Human Resource Services Division, Education Center, Room 1241, attention Gloria Rangel.

Published each Monday. Items for inclusion are to be sent to the Communications Office, Room 2145, by noon each Thursday for consideration. **Effective August 1, 2000, all Circulars and Bulletins will ONLY be posted on our web site. No hard copies will be sent by mail.**

"The mission of San Diego City Schools is to improve student achievement by supporting teaching and learning in the classroom."

Training will be made available for only employees in the Campus Security Assistant job classification. The district will pay all necessary fees for tuition and materials related to the training. Each individual school site will be responsible for the employee's salary during any portion of the three-day, eight-hour sessions, which falls within the employee's normally assigned work hours. Hours spent in training beyond the employee's regular work hours will be paid at the employee's regular hourly rate of pay in the job classification on time cards (CL-1) which should be forwarded to the Human Resource Services Division, Room 1241 of the Eugene Brucker Education Center to the attention of Donis Armenta, Director of Classified Personnel for approval and processing.

Current Campus Security Assistants who work twenty or more hours per week and have not completed the training have been notified that there is a three-day training scheduled for May 9, 10, and 11, 2006 (from 8:00 a.m. to 5:00 p.m. each day).

The May training sessions will be held on May 9, 10, and 11, 2006, at the San Diego County Office of Education, 6401 Linda Vista Road, San Diego, CA 92111, in Room 306. Employees have been asked to register by logging onto the SDCS website: www.sandi.net then click "For District Staff" click on "Administrative" then click on "Bulletins and Circulars" to "Mandated Campus Security Assistant Training" and print out the registration form/flyer. Please fill out the registration form and fax it to Teresa Achuff at the San Diego County Office of Education at (858) 571-6046. Please register by April 27, 2006. If you are an employee with San Diego City Schools and are under the job class of Campus Security Assistant, please **do not** include payment. If you have questions regarding the training sessions please call Teresa Achuff at (858) 569-5389.

In order for assigned Campus Security Assistants to maintain their employment, please make sure that they are registered, released from work (if applicable) and paid to attend this mandatory training. Questions regarding this mandated training may be directed to Gloria Rangel at grangel@sandi.net or at (619) 725-8172.
