

SAN DIEGO UNIFIED SCHOOL DISTRICT

Date: February 24, 2011
To: Senior High School Principals; Area Superintendents
Subject: 2011-2012 UNIVERSITY OF CALIFORNIA 'A-G' COURSE LIST
UPDATE

**Department and/or
Persons Concerned:** Senior High School Principals and Head Counselors

Due Date: **April 1, 2011**

Action Requested: Review, complete, and return, by **April 1, 2011**, the enclosed UC 'a-g' update documents (Attachments 2 and 3) to Karen Wilson in the Office of Accountability.

Attachments:

1. 2011-12 UC 'a-g' Update Instructions
2. 2011-12 UC Principal Certification Form
3. 2011-12 UC 'a-g' Regular Course Worksheets
4. 2011-12 UC 'a-g' AP Course Worksheets

Brief Explanation:

The University of California (UC) requires schools and/or districts to update their 'a-g' course list(s) annually. This year, as in previous years, the Office of Accountability will update high schools' UC lists for the 2011-12 school year through a single districtwide submission. Because UC requires a single point of contact for districtwide submissions, individual sites are not permitted to make changes on their own 'a-g' lists, nor may they submit applications to the UC for approval of new courses independent of the district. Instead, schools must work through the Office of Accountability to effect these changes.

All district high schools with established UC course lists are asked to review, complete, and return the enclosed 2011-12 'a-g' update forms **no later than April 1, 2011**. All updated documents must be returned in the form of hard copy; **no faxes will be accepted**. Documents must be sent to Karen Wilson, Planning Analyst; Office of Accountability, Room 3150, Eugene Brucker Education Center. Please keep a copy of the updated documents for your site records.

For additional information, contact Karen Wilson at (619) 725-7182 or kwilson2@sandi.net

2011-12 UC ‘a-g’ Course List Update Instructions

The following items must be completed and returned to: Karen Wilson, Planning Analyst, Office of Accountability, Room 3150, Eugene Brucker Education Center, **by Friday, April 1, 2011**:

1. **Principal Certification Form** (*Attachment 2*): Must be signed and returned along with school’s updated UC ‘a-g’ worksheets. Principals are responsible for verifying the accuracy of the updated course information. **Worksheets without a signed certification form will not be processed.**
2. **‘A-g’ Worksheets—Regular Courses** (*Attachment 3*) and **AP Courses** (*Attachment 4*): Must be reviewed, updated, and returned by each site as described below.

Background:

All district courses approved to meet UC ‘a-g’ requirements in the 2011-12 school year are listed on the attached worksheets. Courses that do not appear on the worksheets do not fulfill ‘a-g’ requirements.

Action required:

There are two sets of worksheets: one for regular ‘a-g’ courses (*Attachment 3*) and one for Advanced Placement (AP) courses (*Attachment 4*). Schools are asked to review and update each of them in the following manner:

For the regular ‘a-g’ course worksheets (*Attachment 3*), schools are asked to review the site-specific course choices for 2010-11 that appear on the worksheets, and update them to reflect the ‘a-g’ courses they will be offering in 2011-12. **It is very important that schools delete all courses they do not plan to teach in 2011-12, even if they may be reinstated later**, so that each school’s ‘a-g’ list is an accurate reflection of the course options available at the site in 2011-12.

Instructions:

To update the regular ‘a-g’ worksheets, please make changes in the following manner, preferably with a blue or other non-black-ink pen:

1. Fill in the name of your school in the space provided at the top of **each** subject-area worksheet.
2. For pages where no course changes are needed, write “No Change” or “NC” at the top of the page and circle it.
3. For pages where a course change is indicated, circle the name of your school in the column heading above the course listings, and:
 - ▶ To **remove** a course you no longer want, put a line through the course number and course title, and write ‘**D**’ in the adjacent space.
 - ▶ To **add** a course, circle the course number and course title and put an ‘**A**’ in the adjacent space.
 - ▶ **DO NOT ADD OR DELETE ‘Xs’ FROM THE TABLE CELLS.**

When making a change, please make sure you have chosen the correct course number and title for the action. Using a ruler to align your course selections with the column listing of your school can help.

To update the AP worksheet (*Attachment 4*):

1. Circle the title of the course you plan to offer, and:
 - ▶ If the course will be reauthorized, put an ‘**R**’ in the space next to it
 - ▶ If the course is new to your site and requires first-time audit approval, put an ‘**N**’ next to it.

Do not include any online AP courses that students take via dual enrollment in iHigh Virtual Academy, since those courses appear on iHigh’s approved course list.

The AP course worksheet is intended to provide a preliminary snapshot of your site’s anticipated AP course offerings for 2011-12. No AP course will be added to a school’s ‘a-g’ course list until it has been approved through the annual College Board AP audit process. Principals are encouraged to start the 2011-12 AP audit process for their schools as soon as possible after the site opens on March 1, 2011.

New Course Submissions:

Sites wanting to submit new courses to the UC for ‘a-g’ approval should contact Karen Wilson at (619) 725-7182 or kwilson2@sandi.net to obtain the appropriate UC submission forms and to discuss requirements.
